1. Introduction

TRY is seeking proposals from qualified health service providers to organize and implement health camps for underserved communities in Tripura. The goal of the health camps is to provide essential healthcare services, including general health checkups, screenings, medical consultations, on preventive healthcare.

3. Scope of Work

1. Objective

The objective of this RFP is to ensure the smooth organization, implementation, and management of Village Health Camps, ensuring accessibility, efficiency, and quality of healthcare services provided to the rural population.

2. Scope

This RFP applies to all healthcare staff, volunteers, coordinators, and stakeholders involved in the planning, organization, execution, and follow-up of health camps in villages.

3. Roles and Responsibilities

- **Camp Coordinator:**
 - Overall responsibility for the health camp's success.
 - Coordination with local authorities CMOs.
 - Supervision of medical, administrative, and logistical teams.
- **Medical Team (Doctors, Nurses, Technicians):**
 - Conduct health screenings, consultations, and provide treatments.
 - Maintain medical records/attendance for all participants.
 - Ensure proper handling of medications and medical equipment.
- **Logistics and Support Team:**
 - Ensure the availability of necessary supplies (medications, equipment, transport, etc.).
 - Set up camp infrastructure (tents, seating, electricity, water, sanitation facilities).
 - Manage the camp's registration and patient flow.
- **Project Coordinator/Associate:**
 - Engage with local community to raise awareness about the health camp.
 - Assist in patient registration and facilitate communication between the community and healthcare providers.

4. Planning and Preparation

1. Date and Time of the Camp:

- Preparation, Coordination & supervision of tentative roster before the start of Camp
- Choose a date that is convenient for the community, ensuring minimal disruption to their daily activities.
- The duration of the camp should be determined based on the number of expected attendees and the services offered.

2. Coordination with Local TRY Branch/Villagers:

- Inform the Head Office of TRY at least 3-4 days in advance about the venue of health camp to ensure proper coordination between TRY & implementing agency.

3. Please note:- It's the sole responsibility of implementing agency for mobilization & conducting camps.

4. Recruitment of Medical and Support Staff:

- Ensure the availability of qualified healthcare professionals such as MBBS doctor, nurse, and pharmacist.
- Ensure the presence of all medical staff, including the doctor, nurse, and pharmacist at the camp site.

5. Procurement of Medical Supplies and Equipment:

- Prepare a checklist of medical supplies, equipment, and medications based on the services to be provided.
- Procure and transport the necessary items, including basic medicines, diagnostic tools, and emergency supplies.

6. Public Awareness Campaign:

- Use mike for announcement before camp for mobilizing public.
- Use pamphlets, posters, or word of mouth to inform the community about the upcoming health camp.
- Ensure wall painting near camp sites. The work and its expense is to be born by vendor. Matter will be provided by TRY. Wall painting consist of awareness campaign line. Eg "Sab Padhe Sab Badhe". Wall painting should be in local language. (Matter Will be Shared with You)

5. Camp Setup

1. **Venue Setup:**

- Arrange for a clean, safe, and easily accessible space for the camp.
- Set up tents, seating, registration desks, and consultation areas.
- Ensure the availability of basic amenities like drinking water, toilets, and waste disposal systems.

2. **Staff and Equipment Setup:**

- Ensure that the medical and support staff are properly oriented on their roles and responsibilities.
- Set up medical stations, ensuring that all equipment is functioning and within easy reach for health professionals.

3. **Patient Registration:**

- Set up a registration desk where patients can sign up and provide basic demographic details (name, age, gender, medical history).

6. Camp Operations

1. **Health Screening and Consultations:**

- Conduct a basic health screening for all attendees (e.g., blood pressure, temperature, weight, height, ECG, Blood sugar).
- Based on the screenings, provide consultations, prescribe medications, and offer preventative services.

2. **Distribution of Medications:**

- Provide free medicines to attendees as per the prescriptions.
- Ensure that all medications are stored and administered according to prescribed standards.

3. **Emergency Care:**

- In case of any medical emergency, have an emergency protocol in place.

7. Post-Camp Activities

1. **Feedback Collection:**

- Collect feedback from participants to assess the effectiveness of the camp and identify areas for improvement.
- Engage with the local community for suggestions on improving future camps.

2. **Data Management:**

- Compile the data collected during the camp (e.g., number of patients, services provided, medications distributed).
- Analyze data to identify health trends or recurring issues in the community.

3. **Reporting:**

- Prepare a report detailing the outcomes of the health camp, including the number of patients treated, services provided, and any challenges faced, Use photographs of camps in report.
- Submit the report to TRY.

9. Branding and Media coverage.

- **Camp venue details should be provided three days prior so that media coverage can be arranged from TRY side.**
- **Once the camp finishes 5-6 good photographs should be shared on same day over mail to TRY stating the Location.**
- **Same photographs should be WhatsApp to TRY as well with camp location details with District and State name.**
- **Once camps finished in a particular state the agency to inform over mail that camps number of camps has been completed..... This should be done on the same day. Final report can be sent later.**
